Recognizing those who helped with the better-ment of our community.

Listed with their accomplishments if known.

The above should be expected of every adult and taught to every child and made the human law for all.
If harmers were punished we could have a wonderful world.

Freedom of speech and media safeguards freedom.
Our Constitution and Universal Declaration of Human Rights gives us many Freedoms.
Where they censor speech, information and books they will take away your freedom.

FREEDOM ISN'T FREE, MANY DIED FOR YOURS. We veterans remind you to: Be vigilant and be prepared to fight threats to your freedom. There are many here who are secretly against our way of life. Remember 9-11, Boston massacre, Detroit bomber, Mslm terrorists who nearly cause hundreds of deaths of children and Warren workers in 2026. And over 49,000 Mslm terror attacks since 9-11 worldwide and killing nearly 200 in USA.

And there are the greedy 1% who have excessive wealth dodge taxes, and Corporations who don't pay a living wage. We now have the resources to provide good clothing, food, housing, medical care and education to all citizens..

Before the first entry we acknowledge that there are many Heroes and Volunteers who declined to have their names put in this history because they choose to do good work anonymously. I will call these our Anonymous Heroes. Several of these have put in hundreds of hours doing good work in our community. We give them our thanks and gratitude for their wonderful works.

Dillon, John lived on Sherwood by Munn Engineering and was one of the most colorful characters in the area. He was involved in many projects. When he went on trips He loaded his Iceta (a very small car) into the back of his International Harvester truck. He was a long time scout leader in Center Line and in the Detroit area. Later his wife Clara became a scout leader. He inspired many of our youth with common sense. He used to recite a poem about Mad Michael who used to rummage about the village garbage heap looking for pots without their spouts. Thru his leadersip many of us went on international camping trips with Canadian scouts.

Mustered Dec 24, 1861. **Civil War** Discharged for disability at New Madrid, MO Aug 1862. Widow Mary filed request 1/28/1891. Record of service lists his surname as Extine. The pension of record is under surname of Eckstein. Pension record also indicates service in Co A 2nd Veteran Reserve Corps. D Nov 12, 1890. A memorial with his name on it and 29 other soldiers was stolen by the Warren Hysterical grave robbing gang in 2011 without just cause. They have stolen at least five memorials including a memorial to all veterans and those who died in attacks on our country. (Such as Pearl Harbor and 9-11) More memorials are now missing. They do not own the memorials or the cemetery. This was done in secret without a vote of the membership or a public hearing. Nothing was found wrong with these memorials at a public meeting afterwords. This shows disrespect to our soldiers and those who died including 400 policemen and firemen. We veterans want these memorials replaced. See macombhistory.us

Ellis Family I am still looking for this man's name. I spent some time at the Registrar of Deeds and found many Ellis land transactions in 1925 and 1926. But this will take more time to investigate. I called the school superintendent and they are

going to try to find the records from 1925-1926. Mr Ellis donated land to build the Ellis school in Center Line. The little village desperately need to build a school in the area and he stepped up and donated the land where Ellis school was built. This school taught all 8 grades for several years. Later there was Louis Ellis who taught at Busch school in 1949. If anyone has information on this family please share it. Engleman Street which was first called Church Street, was named after the early settling family with the same name. However Gerald Neil stated that it was named after Hieronymous Engleman a State Representative from Warren in the 1870s.

Engleman, Hyronemus came here in 1847 from Germany and he bought both sides of Van Dyke from Nine Mile Road to Nine and a half, and a half mile deep each way. He owned both sides of the street for half a mile. He had a son who apparently inherited these properties and had a home and about 40 acres in Center Line. The name is familiar to us because Engleman Avenue was named after Jacob or Heironimus Engleman who is buried in the St Clement's Cemetery. He died about 1918 and was quite an astute gentleman in the fact that he was the first

one from Warren that served in a state office. He became elected as a state representative and served two terms as state representative. He had college training, went 4 years to college. I was never able to find out which college, but it was in Racine, Wisconsin. (Harold Stilwell) If there are family members of this family around please contact Wes Arnold and perhaps we can find family records about him. Need More Information
